THE CYTOSKELETON AND CELL FUNCTION

Cold Spring Harbor Laboratory, New York

Wednesday, April 28th through Sunday, May 2nd, 1993

Arranged by
Elizabeth Raff, Indiana University
David M. Helfman, Cold Spring Harbor Laboratory

Wed. Evening	Actin Filament Assembly and Dynamics Chairperson: Paul Matsudaira, MIT
Thurs. Morning	Cell Movement Chairperson: Sally Zigmond, University of Pennsylvania
Thurs. Afternoon	Poster Session
Thurs. Evening	Microtubule Assembly and Dynamics Chairperson: Don Cleveland, Johns Hopkins University
Fri. Morning	Cell Division and Nuclear Structure Chairperson: Richard McIntosh, University Colorado
Fri. Afternoon	Poster Session
Fri. Evening	Intermediate Filaments Chairperson: Elaine Fuchs, University of Chicago
Sat. Morning	Molecular Motors: Intracellular Trafficking Chairperson: Mark Mooseker, Yale University
Sat. Afternoon	Signal Transduction: Membrane-Cytoskeleton Interactions Chairperson: Benjamin Geiger, Weizmann Institute
Sat. Evening	Banquet
Sun. Morning	The Role of the Cytoskeleton in Development and Differentiation Chairperson: Elizabeth Raff, Indiana University
